No refunds on special order items or down payments.

No warranty on any structures if installed near saltwater exposure.

Please inform installer of any underground cables, gas lines or any other utility lines. Please call 811 before installation. We will not be responsible for any damage. Customers are responsible for permits or any other restrictions. Permits need to be obtained 1 week before installation.

Lot must be level or unit will be installed "AS IS" with no warranty.

\$80.00 delivery fee on any orders under \$695.00, or if we are unable to install due to customer's problems or changes, a 12% Return Trip fee will be added to the balance. A down payment of 10% is required on all orders (not refundable). Balance due at time of installation. Down payment can only be 10% based on the price of the carport before taxes. Dealer can not accept more than 10% of base price. If you give more than 10% **YOUR ORDER WILL BE PLACED ON HOLD** and will not be delivered until Superior Carports, Inc. receives all funds paid over 10% by cashiers check or money order only. 50% down is required on all special sized orders by cashiers check or money order only (not refundable), mailed to the address above. In the event of price changing, Superior Carports, Inc. has the right to cancel the order without notice.

AREA NEEDS TO BE CLEAR FOR INSTALLATION.

Customer service will contact you TWO to FIVE days before delivery & setup. If there is a difference in pricing from the dealer, adjustments will be made at our main office. You will be notified in the event of any price discrepancy before installation.

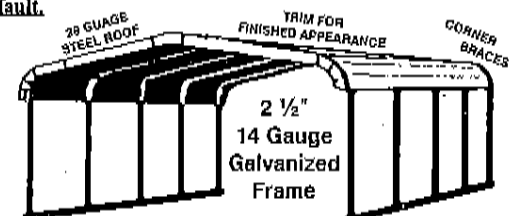

OUR RIGHTS TO TAKE POSSESSION:

If payment not paid in full within 10 days of installation, we have the right to take possession of the unit. If you do not allow us to do so, you agree to pay our cost incurred in taking possession of the unit including reasonable attorney's fees and courts cost. This invoice constitutes written permission for us to enter your property, open gates, move obstacles or take any reasonable means necessary to recover the unpaid unit in the event of your default.

I have read and completely understand the above information and give approval for the construction of the above.
